

The advertisement features a man with glasses and a beard, wearing a dark shirt, sitting at a desk with his hands on a keyboard. The background is dark with various floating boxes containing text related to cybersecurity. On the left, the CEH logo is displayed with the text 'Certified Ethical Hacker' below it. Below the logo, the text reads 'The Ultimate Ethical Hacking Certification' and 'Demanded by Employers. Respected by Peers.' At the bottom, the text 'EC-Council' is written in large, bold, red letters. The floating boxes contain the following text: 'System Hacking', 'Social Engineering', 'Cloud Computing', 'Vulnerability Analysis', 'Network Hacking', and 'Hacking Web Servers, Web Apps and Wireless Networks'.

Certified Ethical Hacking is one of the most sought-after and renowned cybersecurity courses. The CEHV11 course is designed for professionals to learn all the advanced tools required to hack the hacker. The course covers 20 modules as per the EC council guidelines. CEH is the most accredited course for anyone interested in pursuing a career as an ethical hacker. CEHV11 teaches all the advanced tools and skills required by any ethical hacker.

## Ethical Hacking Course Content

- Module 01: Introduction to Ethical Hacking
- Module 02: Footprinting and Reconnaissance
- Module 03: Scanning Networks
- Module 04: Enumeration
- Module 05: Vulnerability Analysis
- Module 06: System Hacking
- Module 07: Malware Threats
- Module 08: Sniffing
- Module 09: Social Engineering
- Module 10: Denial-of-Service
- Module 11: Session Hijacking
- Module 12: Evading IDS, Firewalls, and Honeypots
- Module 13: Hacking Web Servers
- Module 14: Hacking Web Applications
- Module 15: SQL Injection
- Module 16: Hacking Wireless Networks
- Module 17: Hacking Mobile Platforms
- Module 18: IoT Hacking
- Module 19: Cloud Computing
- Module 20: Cryptography
